

So fast and easy, even a busy doctor can do it.

We've streamlined the process to make it easy to start up and simple to update.

1. Review the website

See, you've already gotten started. Listen to samples, hear music options, read the statistics, review pricing.

2. Go to "Get Started"

Create your account. Just walk through the steps. Pick the package that is best suited for your practice.

3. Background Music Selection

For your custom messages, choose background music that best fits your practice.

4. Voice Talent Selection

For your custom messages, choose the voice style that best fits your practice.

5. Browse and Select

Choose from the master library of pre-produced on-hold messages and customized templates. You pick 4 from the pre-produced library and create 2 custom messages.

6. Script Writing

Professional copywriter develops 2 custom messages for your feedback and approval.

7. Equipment Installation

A professional technician will install the equipment. We will coordinate the installation with you.

8. Remote Message Download

Your messages are downloaded to your equipment and you're ready to go.

9. Receive Quarterly E-mail Reminders

Each quarter, we'll e-mail you about updating your messages. You simply visit our website and select your new messages or review your account status.

10. Manage Your Account Online or Call Us Anytime

You can visit the website anytime to listen to message or to review account status. Please don't hesitate to call @ 800-466-3666.
